“Make Informed Choices”

The UCSF HR/Benefits and Medical Center Benefits Offices have teamed up to staff “help desks” at different campus locations during the Open Enrollment period in October and November. We will be available to answer brief individual questions, as well as provide information on Open Enrollment resources.

You can also learn more about receiving your medical care through the UCSF Medical Group and at UCSF Medical Center. Medical Center representatives, practice administrators and UCSF Medical Group physicians will be available to answer your questions.
