The screenshot shows a search interface titled "Welcome to ProviderSearch!". It has three main sections. The first section, "First, select a location:", has a dropdown menu with the text "Select a location type". A red arrow points to this section. The second section, "Second, add a filter: (optional)", has three radio button options. The first option is "Filter by Provider Name or Provider ID or License Number(Prefix + 6 Digits)" with a text input field below it containing "Provider name (at least two letters), Provider ID or". The second option is "Filter by type of Plan/Network" with a dropdown menu below it containing "Select a Plan/Network". A red arrow points to this second option. The third option is "No filter (show all results)". At the bottom right, there is a green "CONTINUE" button with a red arrow pointing to it.

- Select a **Provider type** from a menu of Doctors, Urgent Care facilities, Hospitals, Medical Groups, or other facilities.
- A list of providers will populate the lower part of the page.
- If you chose **Doctors** for your search, the doctor's specialty, including whether he/she is a PCP, will be indicated by their name.
- You may narrow your results by applying the filter options listed including specialty, languages spoken, gender of doctor and accepting new patients.
