

Reimagining the Parnassus Heights Campus

Town Hall Meeting
April 24, 2019, noon – 1 p.m.
Cole Hall Auditorium

Defining the Future of Parnassus Heights

Join UCSF leaders as they describe exciting plans to re-envision and revitalize UCSF's oldest and largest campus.

This planning process will define a bold, transformative vision to ensure the Parnassus Heights campus remains a flagship site for the best patient care, life sciences research and education in the U.S.

Creating opportunities that promote collaboration

- Hear about the big ideas generated by the UCSF community on how to integrate UCSF's clinical, educational and research missions
- Learn about the planning process for a new hospital to ensure UCSF continues to provide premier care in the 21st century
- View preliminary concepts that define new districts and create a campus with a heart that connects to the community
- Get informed about the timeline and next steps to realize short- and long-term initiatives
- Submit questions in advance via email to space@ucsf.edu or ask live in person
