

Berkeley Outpatient Center

The Berkeley Outpatient Center (BOPC) is a unique collaboration and partnership between John Muir Health and UCSF Health, two health care systems that are locally and nationally ranked by *U.S. News & World Report*.

Through this partnership, we are dedicated to providing East Bay residents with comprehensive care, all conveniently under one roof. Services include:

- + **Primary Care**, including women's health services
- + **Specialty Care** (see column at right)
- + **Same-Day Urgent Care Appointments with Online Scheduling**
- + **Lab Services**
- + **Imaging**, including X-ray, CT/MRI, PET/CT, DEXA, ultrasound and 3D mammography
- + **Comprehensive Cancer Center with Online Appointment Scheduling**
- + **Infusion Services, Chemotherapy and Radiation Oncology**
- + **Outpatient Surgery Center**
- + **Two hours free on-site parking**

Insurance Information for University of California Employees

For UC Health Net Blue & Gold members with John Muir Physician Network:

If you're enrolled in UC Health Net Blue & Gold through Canopy Health and your primary care provider is part of John Muir Physician Network, you can receive primary care at BOPC. If you want to change your medical group to John Muir Physician Network to establish primary care at BOPC, call Health Net directly before scheduling an appointment.

For UC Health Net Blue & Gold members with Hill Physicians Medical Group or Dignity Health Medical Network:

If you're enrolled in UC Health Net Blue & Gold through Canopy Health and your primary care provider is part of Hill Physicians Medical Group (San Francisco or Marin) or Dignity Health Medical Network – Santa Cruz, you can receive specialty care and ancillary services available at BOPC, including lab and radiology. If you're enrolled in UC Health Net Blue & Gold through another medical group or network, contact Health Net to confirm your eligibility for services at BOPC before scheduling.

For UC Care and UC Health Savings+ Plan members:

If you're enrolled in one of the UC-sponsored PPO plans (UC Care or UC Health Savings+ Plan), you can receive primary and specialty care at BOPC, along with available ancillary services.
